

Practical - 2

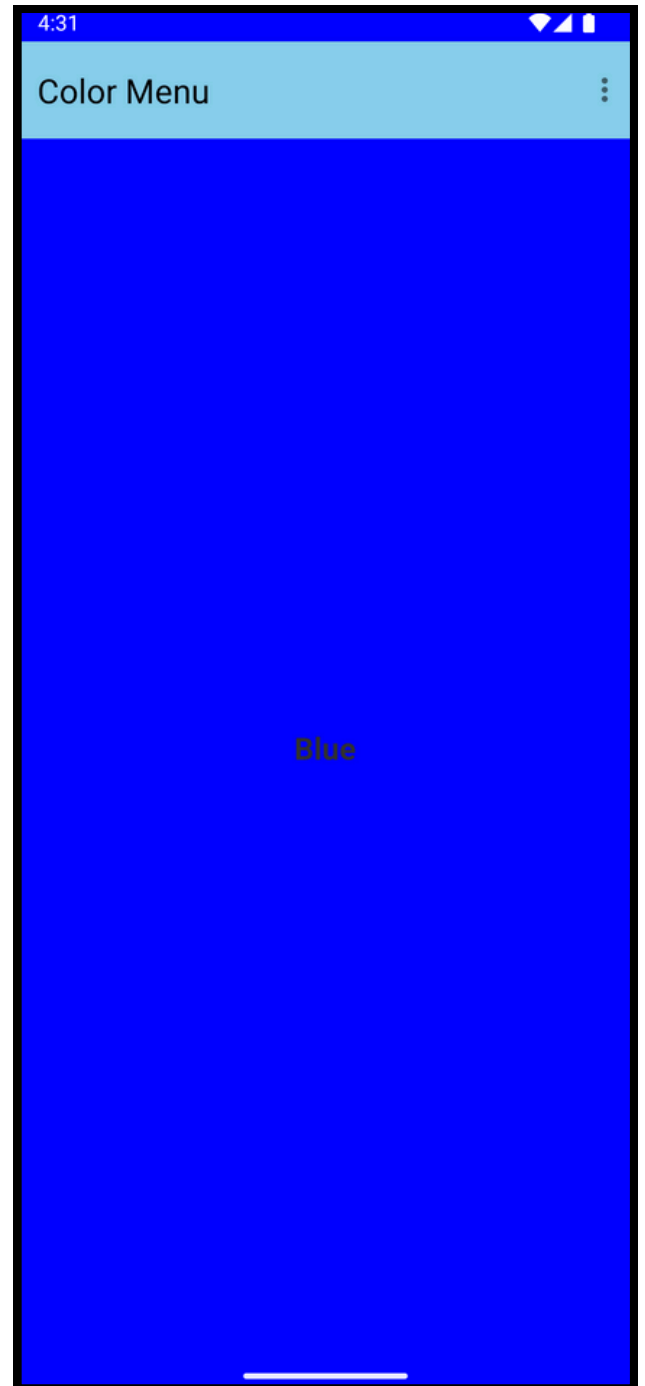

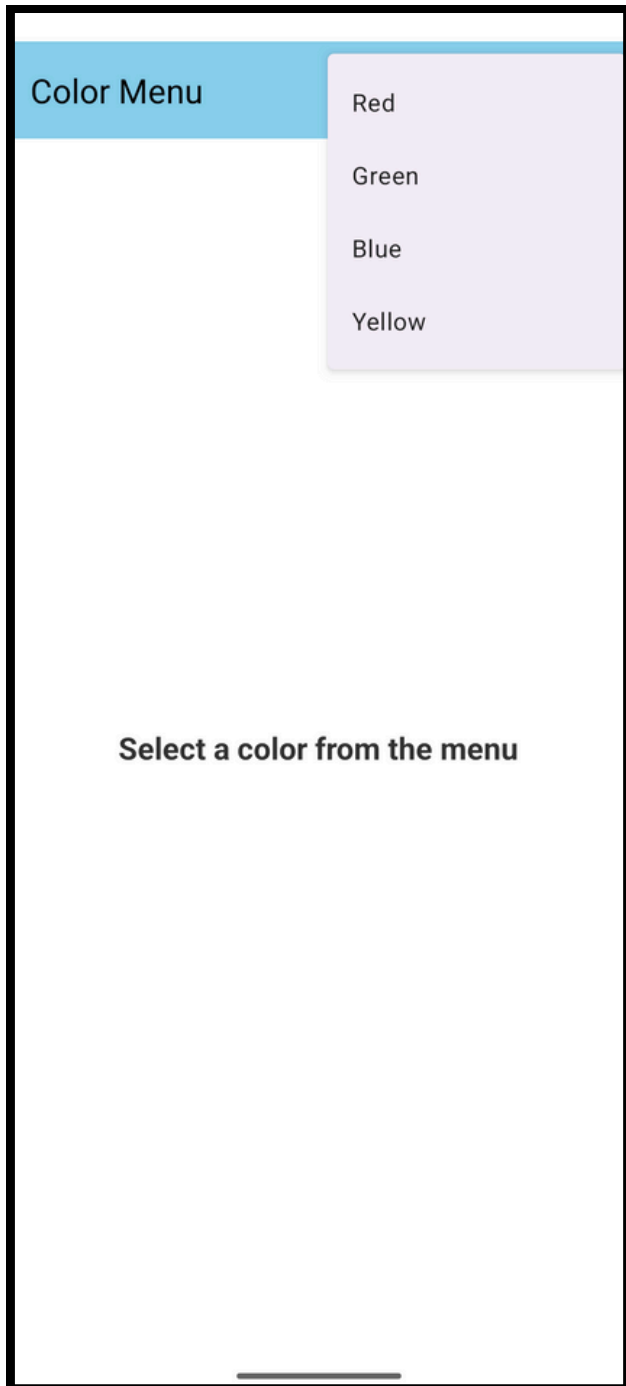

A mobile application login screen with a light purple background. At the top, there is a status bar with signal and battery icons. Below it, a text input field contains the username "admin". Underneath the input field is a row of three dots followed by a vertical cursor line. A purple rounded rectangular button with the text "Login" is positioned below the input fields. At the very bottom, there is a thin horizontal line representing the home indicator bar.
